MEMORANDUM FOR: Director of Personnel

SUBJECT: Justification and Request for Approval of Provisional Clearance of [Redacted]

25X1

1. Subject has been selected for participation in the Junior Officer Training Program as indicated in my memorandum of 21 February 1957 to the Chief/Records and Services Division/Office of Personnel, confirming an appointment action at GS-11.

2. It has come to my attention that he is to be separated from his present employment with the Capital Police on 30 April. Since [Redacted] is married and has four children, loss of his present position might well cause him financial hardship if continuity of employment cannot be maintained.

3. It is requested, therefore, that [Redacted] be granted a provisional clearance for entry on duty in the Interim Assignment Branch, Office of Personnel, on 1 May 1957.

For Interview of DTR 5/16/57.
